
Test Report

Report No. : AGC16823241202SS01

PRODUCT DESIGNATION : Open-Source Sensor Beacon

BRAND NAME : Ruuvi

MODEL NAME : RuuviTag

APPLICANT : Ruuvi Innovations Oy

DATE OF ISSUE : Jan. 09, 2025

STANDARD(S) : Consumer Goods (Products Containing Button/Coin Batteries) Safety Standard 2020
Consumer Goods (Products Containing Button/Coin Batteries) Information Standard 2020

REPORT VERSION : V1.0

Attestation of Global Compliance (Shenzhen) Co., Ltd

Any report having not been signed by authorized approver, or having been altered without authorization, or having not been stamped by the "Dedicated Testing/Inspection Stamp" is deemed to be invalid. Copying or excerpting portion of, or altering the content of the report is not permitted without the written authorization of AGC. The test results presented in the report apply only to the tested sample. Any objections to report issued by AGC should be submitted to AGC within 15days after the issuance of the test report. Further enquiry of validity or verification of the test report should be addressed to AGC by agc01@agccert.com.

1. Description of the product

1.1 Description of the product

Name: Open-Source Sensor Beacon
Brand name: Ruuvi
Model / Series models: RuuviTag

1.2 Product Function

Open-Source Sensor Beacon

1.3 Technical Data

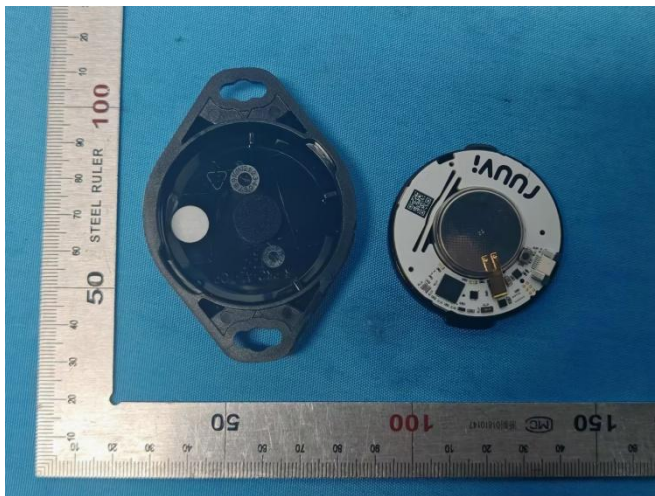

Rated input: 3.0Vdc
Number of button / coin battery: 1 pcs
Rated voltage of button / coin battery: 3.0Vdc
Button / coin battery dimension: CR2477
Type of button / coin battery: ☒ lithium ☐ alkaline ☐ silver oxide
☐ zinc-air ☐ other: _____
Consumer Replaceable button / coin battery: ☒ Yes ☐ No

3. Testing information

3.1 Test Sample(s)

Date(s) of receipt Test item *Dec. 23, 2024*
Date(s) of performance Testing *Dec. 23, 2024 to Jan. 08, 2025*

3.2 Test case verdicts

Test case does not apply to the test object N (/A)
Test item does meet the requirement P (ass)
Test item does not meet the requirement F (ail)

4. Summary

The test product is met the requirements of:

1. Consumer Goods (Products Containing Button/Coin Batteries) Safety Standard 2020
2. Consumer Goods (Products Containing Button/Coin Batteries) Information Standard 2020

Test report			
Clause	Requirement – Test	Result - Remark	Verdict
8	Button/coin batteries must not release during reasonably foreseeable use or misuse conditions		P
	(1) If consumer goods contain a button/coin battery (whether or not the battery is intended to be replaceable), the battery in the consumer goods must not release during reasonably foreseeable use or misuse conditions.		P
	(2) The consumer goods comply with the requirements in subsection (1) if, and only if, the consumer goods comply with the requirements in:		P
	(a) subsection 12(1) (product-specific standards); or		N
	(b) section 16 (non-product-specific standards).	UL4200A:2020 used	P
9	Compartment holding button/coin batteries must be resistant to being opened by young children		P
	(1) If consumer goods contain a button/coin battery that is intended to be replaceable by a consumer, the compartment in which the battery is held must be designed to ensure the compartment is resistant to being opened by young children	The cover can not open except use a tool like a screwdriver	P
	(2) The consumer goods comply with the requirements in subsection (1) if, and only if, the consumer goods comply with the requirements in:		P
	(a) subsection 13(1) (Audio/Video and Electronic Apparatus Standards); or		N
	(b) subsection 14(1) (Luminaires Standard); or		N

Any report having not been signed by authorized approver, or having been altered without authorization, or having not been stamped by the “Dedicated Testing/Inspection Stamp” is deemed to be invalid. Test report			
Clause	Requirement – Test	Result - Remark	Verdict
	(c) subsection 15(1) (Safety of Toys Standards); or		N
	(d) section 17 (non-product-specific standards).		P
10	Fasteners for doors or covers to compartments holding button/coin batteries must be captive etc		N
	(1) This section applies to consumer goods containing a button/coin battery if:		--
	(a) the battery is held in a compartment in the consumer goods; and		N
	(b) the door or cover providing access to the compartment is secured by screws or similar fasteners; and		N
	(c) those consumer goods comply with the requirements in subsection 8(1) by complying with the requirements in section 16 (non-product-specific standards) rather than complying with the requirements in subsection 12(1) (product-specific standards).	Requirements in subsection 12(1) be applied.	N
	(2) The consumer goods must be designed to ensure the screws or similar fasteners used to secure the door or cover providing access to the compartment are captive and remain with the door or cover.		N
	(3) The consumer goods comply with the requirements in subsection (2) if, and only if, before the supply of the consumer goods to a consumer, representative samples of the consumer goods are tested in accordance with:		N
	(a) clause 13.4.6 of the Australian (Electric Toys) Standard; or		N
	(b) clause 13.4.6 of the International (Electric Toys) Standard; or		N
	(c) clause 4.101.2 of the Luminaires Standard		N
11	Secureness of consumer goods with non-replaceable button/coin battery accessible by consumers must be tested		N
	(1) This section applies to consumer goods containing a button/coin battery if:		N
	(a) the battery contained in the consumer goods is not intended to be replaceable by a consumer; and		N
	(b) the battery is accessible to the consumer.		N
	(2) Before the supply of the consumer goods to a consumer, representative samples of the consumer goods must meet the test set out in section 6.4 of the Lithium Technologies Standard.		N
12	Test requirements of Cl.8 For product-specific standards:		N

Any report having not been signed by authorized approver, or having been altered without authorization, or having not been stamped by the "Dedicated Testing/Inspection Stamp" is deemed to be invalid. Copying or excerpting portion of, or altering the content of the report is not permitted without the written authorization of AGC. The test results presented in the report apply only to the tested sample. Any objections to report issued by AGC should be submitted to AGC within 15days after the issuance of the test report. Further enquiry of validity or verification of the test report should be addressed to AGC by agc01@agccert.com.

Test report			
Clause	Requirement – Test	Result - Remark	Verdict
	(1) Consumer goods containing a button/coin battery comply with the requirements in this subsection if		N
	a) before the supply of the consumer goods to a consumer, representative samples of the consumer goods are tested in accordance with one of the following:		N
	(i) clauses 4.8.4.2 to 4.8.4.6 of the Australian (Audio/Video) Standard		N
	(ii) clauses 4.8.4.2 to 4.8.4.6 of the International (Audio/Video) Standard		N
	(iii) clause 5.24 of the Australian (Safety of Toys) Standard		N
	(iv) clause 5.24 of the International (Safety of Toys) Standard		N
	(v) clauses 12.7.3.2 to 12.7.3.6 of the Electronic Apparatus Standard		N
	(vi) clause 4.101.1 of the Luminaires Standard; and		N
	(b) the button/coin batteries contained in the samples are not released during the testing.		N
	(2) If consumer goods cannot comply with subsection (1) because a test in a specified clause of a standard in the subsection is not appropriate for that kind of consumer goods, the consumer goods are taken to comply with that subsection if:		N
	(a) an alternative test that is more appropriate is applied; and		N
	(b) before the supply of the consumer goods to a consumer, representative samples of the consumer goods are tested in accordance with that alternative test; and		N
	(c) applying that alternative test (along with the other tests of the standard that apply and are appropriate) ensures that the battery is not released during reasonably foreseeable use or misuse conditions.		N
13	Test requirements of Cl.9 For Audio/Video and Electronic Apparatus Standards		N
	(1) Consumer goods containing a button/coin battery comply with the requirements in this subsection if the consumer goods comply with the requirements in subsections (2) and (3)		N
	(2) The consumer goods comply with the requirements in this subsection if the consumer goods comply with any of the following before the supply of the consumer goods to a consumer:		N
	(a) clause 4.8.3 of the Australian (Audio/Video) Standard;		N

Any report having not been signed by authorized approver, or having been altered without authorization, or having not been stamped by the "Dedicated Testing/Inspection Stamp" is deemed to be invalid. Copying or excerpting portion of, or altering the content of the report is not permitted without the written authorization of AGC. The test results presented in the report apply only to the tested sample. Any objections to report issued by AGC should be submitted to AGC within 15days after the issuance of the test report. Further enquiry of validity or verification of the test report should be addressed to AGC by agc01@agccert.com.

Conditions of Issuance of Test Reports

1. All samples and goods are accepted by the Attestation of Global Compliance (Shenzhen) Co., Ltd (the “Company”) solely for testing and reporting in accordance with the following terms and conditions. The company provides its services on the basis that such terms and conditions constitute express agreement between the company and any person, firm or company requesting its services (the “Clients”).
2. Any report issued by Company as a result of this application for testing services (the “Report”) shall be issued in confidence to the Clients and the Report will be strictly treated as such by the Company. It may not be reproduced either in its entirety or in part and it may not be used for advertising or other unauthorized purposes without the written consent of the Company. The Clients to whom the Report is issued may, however, show or send it, or a certified copy thereof prepared by the Company to its customer, supplier or other persons directly concerned. The Company will not, without the consent of the Clients, enter into any discussion or correspondence with any third party concerning the contents of the Report, unless required by the relevant governmental authorities, laws or court orders.
3. The Company shall not be called or be liable to be called to give evidence or testimony on the Report in a court of law without its prior written consent, unless required by the relevant governmental authorities, laws or court orders.
4. In the event of the improper use of the report as determined by the Company, the Company reserves the right to withdraw it, and to adopt any other additional remedies which may be appropriate.
5. Samples submitted for testing are accepted on the understanding that the Report issued cannot form the basis of, or be the instrument for, any legal action against the Company.
6. The Company will not be liable for or accept responsibility for any loss or damage however arising from the use of information contained in any of its Reports or in any communication whatsoever about its said tests or investigations.
7. Clients wishing to use the Report in court proceedings or arbitration shall inform the Company to that effect prior to submitting the sample for testing.
8. The Company is not responsible for recalling the electronic version of the original report when any revision is made to them. The Client assumes the responsibility to providing the revised version to any interested party who uses them.
9. Subject to the variable length of retention time for test data and report stored hereinto as otherwise specifically required by individual accreditation authorities, the Company will only keep the supporting test data and information of the test report for a period of six years. The data and information will be disposed of after the aforementioned retention period has elapsed. Under no circumstances shall we provide any data and information which has been disposed of after retention period. Under no circumstances shall we be liable for damage of any kind, including (but not limited to) compensatory damages, lost profits, lost data, or any form of special, incidental, indirect, consequential or punitive damages of any kind, whether based on breach of contract of warranty, tort (including negligence), product liability or otherwise, even if we are informed in advance of the possibility of such damages.

Any report having not been signed by authorized approver, or having been altered without authorization, or having not been stamped by the “Dedicated Testing/Inspection Stamp” is deemed to be invalid. Copying or excerpting portion of, or altering the content of the report is not permitted without the written authorization of AGC. The test results presented in the report apply only to the tested sample. Any objections to report issued by AGC should be submitted to AGC within 15 days after the issuance of the test report. Further enquiry of validity or verification of the test report should be addressed to AGC by agc01@agccert.com.
